- Stainless steel
- Aluminium
- Brass / Bronze

Siamo in grado di eseguire ogni tipo di lavorazione meccanica e assemblare qualsiasi tipo di raccordo venga richiesto, nei seguenti materiali :

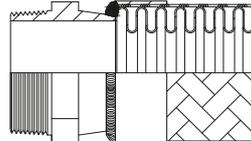

- Acciaio al carbonio
- Acciaioinox
- Alluminio
- Ottone / Bronzo

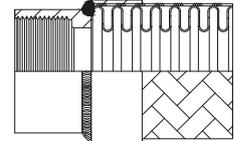

Welding end  
Manicotto liscio a saldare

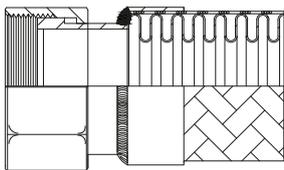

Threaded male end  
Tronchetto filettato

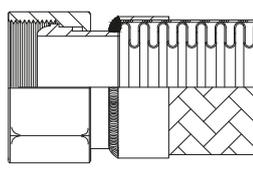

Fixed male  
Maschio fisso

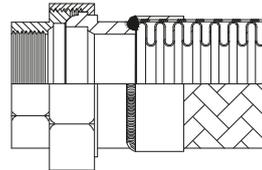

Threaded female end  
Manicotto filettato

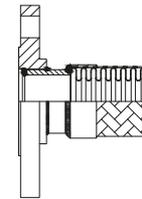

Swivel female flat seat  
Femmina girevole sede piana

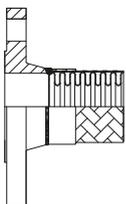

Swivel female cone seat  
Femmina girevole sede ogiva

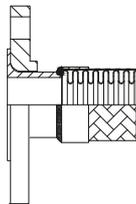

Union Coupling  
Bocchettone a tre pezzi

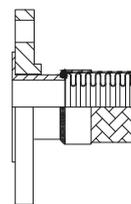

Fixed flange "A"  
Flangia fissa "A"

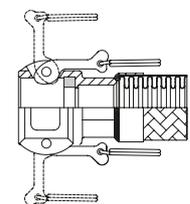

Fixed flange "B"  
Flangia fissa "B"

Swivel flange "C"  
Flangia girevole "C"

Swivel flange "D"  
Flangia girevole "D"

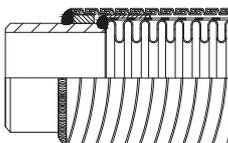

Camlock couplings  
Raccordi Camlock

## SPECIAL PRODUCTS

### ESECUZIONI SPECIALI

External protection with double interlocked flexible hose.  
Protezione esterna con tubo a doppia aggraffatura.

Internal protection with double interlocked flexible hose.  
Protezione interna con tubo a doppia aggraffatura.
